- Any gasoline (and non-diesel based alternative fuel) vehicles 1996 to 2007 model years with a GVWR greater than 8,500 lbs.

2023

Commercial Vehicle Requirements

Safety Inspection: All Commercial Vehicles require an annual safety inspection.

Safety Inspections are not a pre-requisite for registration. However, the certificates are required to be kept in the vehicle at all times.

Vehicle Year	Emissions
2023	Not Required
2022	Not Required
2021	Required
2020	Not Required
2019	Required
